Enhance the image of any location with StoneTec trash receptacles. Clean, attractive appearance for all environments including shopping malls, banks, offices, hotels, corporate facilities, universities, restaurants, convenience stores and more! Receptacles perform well both indoors and outdoors. Panels are made using real stone for an attractive, upscale receptacle with extreme durability.

- Smooth surface of the StoneTec panels are easy to keep clean
- Large 42-gallon trash capacity, uses 45-gallon trash bags and is perfect for high traffic areas
- Includes patented Grab Bag system and additional routed openings to secure trash bag in place
- Telescoping lid hides trash bag and bump outs provide a snap fit to base making it perfect for outdoor use
- 9" square open top receptacle offers convenient disposal
- Waste container molded from high density polyethylene with PCR and panels made from durable, fiberglass-reinforced polymer formula
- Panels add approximately 40 lbs to the receptacle for greater stability
- Minimal assembly required; ships in one cartons with panels packed inside
- 1-year Warranty
- Made in the U.S.A.

Made out of recycled material

Product is ADA compliant

Optional security hardware is available
