All-in-one "Ash and Trash" design with StoneTec® side panel enhancements; covered dome lid has easy access on all four sides. Receptacles perform well both indoor and outdoor. Panels are made using real stone for an attractive, upscale receptacle with extreme durability.

- Smooth surface of the StoneTec panels are easy to keep clean
- Generous 42-gallon trash capacity with a removable ashtray uses 45 gallon trash bags and is perfect for high traffic areas
- Large 12.25" x 6" Openings on all four sides allow for convenient disposal
- Lid fits snug to base and lifts off for easy trash removal. Trash receptacle includes patented Grab Bag™ system and additional routed openings to secure trash bag in place
- Waste container molded from high density polyethylene with PCR and panels made from durable, fiberglass-reinforced polymer formula
- Includes removable 9-1/2" x 9-3/4" black powder coated ashtray tray
- Two built-in security clips secure ashtray in place and deters theft
- Ships in two carton; minimal assembly required
- 1-year Warranty
- Made in the U.S.A.

Made out of recycled material

Product is ADA compliant

Optional security hardware is available
